REQUEST TO APPROVE DRAWING CHANGES

Sir:

In accordance with 37 C.F.R. § 1.123, please find attached proposed new Figures 4, 7a, 7b, 7c, and 7d showing changes in red ink. The proposed new drawings correct informalities that were present in the drawings as originally filed.

In Figure 4, the processor device code Master[3:0] in bus cycles 4 and 5 has been amended in accordance with the specification at pages 9-12. In Figures 7a-7d, Count[7:2] includes six bits as described in the specification at pages 17-18. Therefore, the two left-most zeros in each of the entries of Count[7:2] have been deleted in accordance with the specification. Furthermore, in Figure 7b, the last entry of Count[1:0] has been amended from "0" to --00--. It is submitted that the amendments do not add new matter.

Please charge any shortages and credit any overages to Deposit Account No. 02-2666.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN

Date: September 25, 1996
